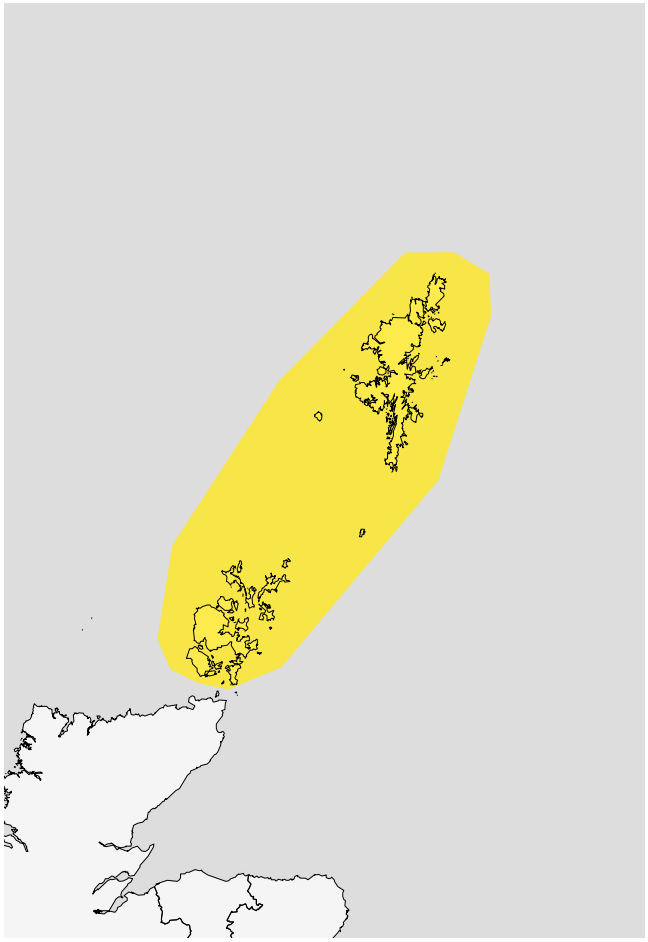
Yellow warning
Wind

Between
05:00 Sat 21 Nov 2020 and
13:00 Sat 21 Nov 2020



Strong winds are likely to cause some disruption on Saturday

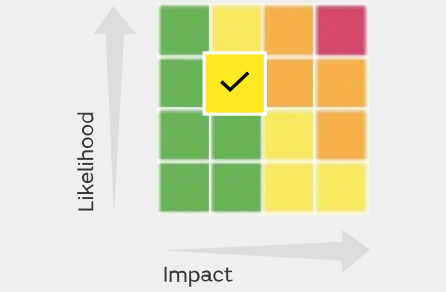
What to expect

- Some delays to road, air and ferry transport are likely
- Some short term loss of power and other services is possible
- It's likely that some routes, sea fronts and communities will be affected by spray and/or large waves

Further details

Southwesterly gales will increase further through Saturday morning with gusts of 60-65 mph expected across the Northern Isles. Blustery showers will bring some temporarily stronger gusts as well with 75 mph possible for brief periods.

The strongest winds are expected during Saturday morning before easing a little through Saturday afternoon, although gusts to around 60-65 mph will continue.



Medium likelihood of low impacts

Issued at 10:24 Fri 20 Nov, 2020
